Spring 2025

Fall 2026

Spring 2026

Summer 2026

Complete GCC Onboarding
Apply to Finance Scholars

Apply Alpha Kappa Psi
Finance Recruitment Process

Research Analyst Internship

Participate in an international Case Comp IB/Consulting

Study Abroad possibly in Italy

Increase Alumni Networking Maintain Existing Relations

Graduate! Prepare to be in the real world

Begin my work at probably Goldamn Sachs

Help explore possible consulting routes, network, professional development
gain better understanding of Finance, set up graduation path and job

growing network of like minded people, professional development
Reach close to 500 connections on linked, secure a summer internship

Gain an understanding of day-day life if I become an analyst, secure full time job

Potentially secure offers (by doing well) keep gaining real world experience/practice

I've always loved their culture, and I want to learn about myself

Just a chill semester, most important thing is to be too relaxed and keep improving

graduate with my feet running on the ground, be systematically ready to start 80 hr weeks

Make a great living to fund an awesome life where I keep learning and try new things
