JLL empowers you to shape a brighter way.

Our people at JLL and JLL Technologies are shaping the future of real estate for a better world by combining world class services, advisory and technology for our clients. We are committed to hiring the best, most talented people and empowering them to thrive, grow meaningful careers and to find a place where they belong. Whether you've got deep experience in commercial real estate, skilled trades or technology, or you're looking to apply your relevant experience to a new industry, join our team as we help shape a brighter way forward.

What this job involves

- Collaborate with the director of capital markets research and producers across JLL's office capital markets platform to develop bespoke research deliverables and analysis for the office market, with a focus on capital markets trends (identifying trends across top investors, debt markets, product subtypes, etc)
- Create and maintain content for market-leading Office Capital Markets Overview that will be presented to clients and internal stakeholders
- Assist in maintaining best practices libraries of qualifications and case studies related to large-scale transactions across the office sector (domestically and internationally)

CoStar, NCREIF, etc.)

Desired skills and experience for this job

- Bachelor's degree in business, economics, real estate, or related field desired
- One to Two years in commercial real estate analysis / finance / related field and/or relevant internship experience
- Working knowledge of commercial real estate dynamics is preferred but not mandatory
- Strong organizational, analytical skills, attention to detail and problem-solving ability
- A focus on responsiveness and resourcefulness, and ability to efficiently multi-task, prioritize and manage work in a dynamic environment with senior stakeholders
- Command of Microsoft Office products (particularly Excel and PowerPoint)
- A desire to work within a diverse, collaborative and driven professional environment

This position does not provide visa sponsorship. Candidates must be authorized to work in the United States without employer sponsorship.

Estimated compensation for this position:

77,000.00 – 87,000.00 USD per year

This range is an estimate and actual compensation may differ. Final compensation packages are determined by various considerations including but not limited to candidate qualifications, location, market conditions, and internal considerations.

Location:

On-site –Chicago, IL, New York, NY

If this job description resonates with you, we encourage you to apply, even if you don't meet all the requirements. We're interested in getting to know you and what you bring to the table!

Personalized benefits that support personal well-being and growth:

JLL recognizes the impact that the workplace can have on your wellness, so we offer a supportive culture and comprehensive benefits package that prioritizes mental, physical and emotional health. Some of these benefits may include:

- 401(k) plan with matching company contributions
- Comprehensive Medical, Dental & Vision Care
