Job Description

Work Location Options: Hybrid

At American Express, our culture is built on a 175-year history of innovation, shared values and Leadership Behaviors, and an unwavering commitment to back our customers, communities, and colleagues. As part of Team Amex, you'll experience this powerful backing with comprehensive support for your holistic well-being and many opportunities to learn new skills, develop as a leader, and grow your career.

Here, your voice and ideas matter, your work makes an impact, and together, you will help us define the future of American Express.

How will you make an impact in this role?

- Advance adoption of Amex debit capabilities
- Develop thorough documentation regarding adoption dependencies and operationally sustainable processes to ensure consistent results
- Manage adoption validation process
- Create and expand relationships with key external debit partners

issuing, legal, pricing, policy, technology, and relationship management teams

- Maintain current knowledge about the payment services industry, debit and U.S. market trends, new & existing technologies, products & services

Minimum Qualifications

- 1+ year experience in the processing, acquiring, and routing of U.S. debit cards
- Sound analytical, problem-solving, data analysis, and project management skills
- Strong work ethic and organizational ability, with high level of intellectual curiosity, initiative, drive, and attention to detail
- Demonstrated ability to guide, contribute, and execute strategies to deliver outcomes aligned to business goals in matrixed organizations
- Proven ability to build, maintain, and leverage strong relationships with internal and external stakeholders, including industry partners
- Track record of leading through change, leading and producing results with or without authority.
- Excellent communication and interpersonal skills, with the ability to articulate and illustrate complex issues in a simple, non-technical manner.
- Potential travel required within U.S. (~10%)
- Bachelor's degree or equivalent industry experience required.

Salary Range: \$65,500.00 to \$102,500.00 annually + bonus + benefits

The above represents the expected salary range for this job requisition. Ultimately, in determining your pay, we'll consider your location, experience, and other job-related factors.

We back you with benefits that support your holistic well-being so you can be and deliver your best. This means caring for you and your loved ones' physical, financial, and mental health, as well as providing the flexibility you need to thrive personally and professionally:

- Free financial coaching and financial well-being support
- Comprehensive medical, dental, vision, life insurance, and disability benefits
- Flexible working model with hybrid, onsite or virtual arrangements depending on role and business need
- 20+ weeks paid parental leave for all parents, regardless of gender, offered for pregnancy, adoption or surrogacy
- Free access to global on-site wellness centers staffed with nurses and doctors (depending on location)
- Free and confidential counseling support through our Healthy Minds program
- Career development and training opportunities

American Express is an equal opportunity employer and makes employment decisions without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran status, disability status, age, or any other status protected by law. American Express will consider for employment all qualified applicants, including those with arrest or conviction records, in accordance with the requirements of applicable state and local laws, including, but not limited to, the California Fair Chance Act, the Los Angeles County Fair Chance Ordinance for Employers, and the City of Los Angeles' Fair Chance Initiative for Hiring Ordinance. For positions covered by federal and/or state banking regulations, American Express will comply with such regulations as it relates to the consideration of applicants with criminal convictions.

We back our colleagues with the support they need to thrive, professionally and personally. That's why we have Amex Flex, our enterprise working model that provides greater flexibility to colleagues while ensuring we preserve the important aspects of our unique in-person culture. Depending on role and business needs, colleagues will either work onsite, in a hybrid model (combination of in-office and virtual days) or fully virtually.
