About the job

Description

D.R. Horton, Inc., the largest homebuilder in the U.S., was founded in 1978 and is a publicly traded company on the New York Stock Exchange. It is engaged in the construction and sale of high quality homes designed principally for the entry-level and first time move-up markets. The Company also provides mortgage financing and title services for homebuyers through its mortgage and title subsidiaries. Please visit our website at www.drhorton.com for more information.

D.R. Horton, Inc. is currently looking for an **Junior Trader-Capital Markets Analyst** in the Secondary Marketing Department. The right candidate will be responsible for all functions surrounding, hedging, trading, and rate sheet margins for the FHA/VA/USDA pipeline

Essential Duties and Responsibilities include the following. Other duties may be assigned.

- Frequently update and monitor the hedged pipeline to ensure interest rate risk is managed effectively for incoming locks, closed loans and loan sales – execute TBA hedge trades via tradeweb or other applications
- Maintain and audit the daily rate sheet to ensure govt hedged pricing accurately reflects secondary marketing executions
- Frequently audit and document internal price models and Compass Analytics to ensure hedging model and investor pricing accuracy

- Continuously improve the operations through procedural, system and policy enhancement while ensuring compliance with company and regulatory policies
- Use internal price models to complete loan sale transactions
- Coordinate with internal departments to ensure loans are ready to be sold and delivered timely
- Monitor loan sales and research discrepancies to ensure DHIM is paid accurately
- Acquire and maintain knowledge of loan products offered by DHI Mortgage
- Maintain knowledge of compliance and regulatory requirements
- Conduct all business in a professional and ethical manner to serve customers and increase the goodwill and profit of the company

Qualifications

Education and/or Experience

- Bachelor's degree in Business/Finance from a four-year college or university
- One to two years related experience
- Ability to multi-task and provide attention to detail
- Possess strong analytical and problem-solving skills
- Strong written and oral communication skills
- Efficient and advanced skills in Excel
- Proficiency with MS Office and email

Preferred Qualifications

- Knowledge of mortgage process and terminology
