Analyst, Portfolio Valuation

Full-time Regular
New York, NY, US

29 days ago
Requisition ID: 1112

About VRC:

VRC is a full-service, independent, global valuation firm that focuses exclusively on valuation and advisory services. Since 1975, we have delivered valuation and financial opinions (<https://www.valuationresearch.com/services/>) for M&A transactions and the financial and tax reporting requirements of Fortune 500 companies, private equity firms and their portfolio companies, and more (<https://www.valuationresearch.com/industries/>). We welcome you to learn more about us (<https://www.valuationresearch.com/about/>).

About this role:

This position conducts valuations of various securities for investment companies (hedge funds, BDCs, etc.). Such securities may consist of illiquid investments, such as bank loans, subordinated debt, and preferred and common equity in privately-held companies, as well as structured products. The position is ideal for someone interested in gaining a wide introduction to a variety of investment securities and valuation methodology.

What you will do:

- Conduct research on securities, competitors, industry, and capital markets, including market multiples, comparable ratios, and credit spreads
- Gather and document pertinent data obtained through client interaction
- Build, modify and utilize financial models for discounted cash flow, guideline market multiple, market transaction, fixed income and option valuations

[Back](#)[Apply](#)

- Perform valuation analyses on companies and their securities across a wide range of industries using relevant qualitative information gathered and through the application of proprietary quantitative valuation models
- Assist in preparing formal client reports

Our Commitment to Diversity & Inclusion:

VRC is an equal opportunity employer committed to creating a diverse team. We are committed to diversity, inclusion, and the equitable treatment of our colleagues, the communities in which we live and work, and our clients. We value creating and working within a team-based environment where each person's talent, ideas, opinions, and expertise are respected. We consider all qualified applicants without regard to race, religion, color, sex, national origin, age, sexual orientation, gender identity, disability, or veteran status, among other factors. Applicants with a disability who need assistance applying for a position with VRC are asked

to email careers@valuationresearch.com

(<mailto:careers@valuationresearch.com>). \$63,000 - 80,000

The base salary offered at the time of hire is only a portion of total compensation and may differ from the stated range. It could be higher or lower depending on various factors, including the candidate's relevant qualifications, skills, and experience, as well as the specific service line and location for the position. In addition to base pay, a meaningful portion of total compensation is paid as quarterly profit-sharing compensation which has historically ranged from 20- 30% of base pay. You will also be eligible for a discretionary year-end bonus. For more information, ask your recruiter or hiring manager for details
