## PROFESSIONAL EXPERIENCE

### Ernst & Young

Charlotte, NC

Financial Services Consulting Intern

Jul. 2020 – Aug. 2020

Introduced internal operational changes to mitigate concerns of data corruption preparedness for a Fortune 100 financial institution

- Analyzed internal response playbook for malicious cyber events to identify three key gaps in data corruption procedures
- Compiled articles related to commercial, corporate, and SME banking to build an internal newsletter for EY leadership

### GlassWRX

Beaufort, SC

Student Consultant

May 2020 – Aug. 2020

Collaborated with a student-led team to build a scorecard model to drive future geographic expansion strategy for a glass upcycling firm

- Identified and weighted 10 economic, political, and logistical factors relevant to determining new plant locations
- Aggregated data on waste collector service locations, landfill composition, and state recycling rates to measure available volume of glass supply

### Fulton Bank

Doylestown, PA

Commercial Banking Intern

May 2019 – Aug. 2019

Drove urban market business strategy for relationship managers and analyzed client and prospect financial documents

- Researched 150+ professional service firms and industry trends to create one-pagers for managerial decision making and assess potential for further market penetration
- Managed accounts, balances, and contact schedules for seven relationship managers to identify priority clients

### Bucks County Economic Development Corporation

Doylestown, PA

Marketing & Communications Intern

Jul. 2018 – Aug. 2018

Executed marketing plan for a new loan program that provided critical access to capital for qualifying small diverse businesses

- Designed a quick-reference fact sheet, web page, and newsletter article about the program for businesses and politicians
- Discussed the program with 50+ representatives and 10+ senators in southeast PA to garner support and attract new clients

## LEADERSHIP EXPERIENCE

### Darla Moore School of Business

Columbia, SC

Student Ambassador

Feb. 2019 – Present

Representing 6,300 Darla Moore students at alumni events and connecting current students to professional and educational resources

- Conduct weekly tours to advertise and sell the business school to potential donors, prospective students, and alumni
- Manage administrative duties at the Welcome Center, Center for Business Communications, and IT office to facilitate operations of each department

### Sigma Omega Upsilon International Business Fraternity

Columbia, SC

Chief Development Officer, Chief Communications Officer, Internal Chair

Sep. 2017 – Present

- Curated and co-led an eight-week personal development program for 19 UofSC pledges and 11 Elon University pledges to encourage personal and professional growth
- Reconnected with over 60 alumni and created an alumni database to host informational Skype calls at weekly Chapter meetings and to foster networking relationships
